

Framework for Encouraging Social and Emotional Learning through Gaming

Mission: Making the socially awkward socially active

Vision: Encourage social and emotional learning through gaming

Goal: Establish a Video Game Club in every secondary school in the United States to encourage social and emotional learning through gaming

Standards:

The Collaborative for Academic, Social, and Emotional Learning (CASEL, 2017) states that social and emotional learning (SEL) standards differ from traditional academic standards in that their purpose is to serve as learning goals or competencies. To determine these standards, districts should consider what soft skills students need to be competent, successful adults. Further, CASEL maintains that once these learning standards are established, they can be used to construct objectives for student learning that create shared expectations and focus instruction.

Video Game Clubs of America (VGC USA) supports CASEL's recommendation for districts to assess the unique needs of their schools in order to establish a shared vision for their SEL plan. Through its own assessment of student needs, VGC USA has established the following framework that highlights CASEL's core competencies, establishes social and emotional standards, and identifies learning goals/competencies. Further, these goals are linked to Pennsylvania Standards for Student Interpersonal Skills (2012) and examples of how the use of gaming supports their attainment is provided.

Five Core Competencies of Social and Emotional Learning (adapted from CASEL, 2017):

1. Self-Awareness
 - Identify emotions
 - Establish accurate self-perception
 - Employ a growth mindset to encourage self-confidence and self-efficacy
2. Self-Management
 - Manage stress
 - Control impulses
 - Regulate emotions
 - Set and achieve goals
 - Motivate and discipline self
3. Social Awareness
 - Recognize the perspective of and empathize with others
 - Consider and respect diverse backgrounds and cultures
 - Understand social norms
4. Relationship Skills
 - Communicate clearly and listen intently
 - Cultivate relationships
 - Resist negative influence
 - Negotiate conflict
 - Seek and offer help when needed
5. Responsible Decision-Making
 - Consider ethical standards, social norms, and safety while making responsible decisions
 - Use a systematic approach to decision making
 - Consider the implications of decisions
 - Reflect on decisions made

Starting a Club

With the help of VGCUSA, starting a club could never be easier. Depending on your academic situation, your school leadership will either be all in or need to be convinced. If the latter is you, follow these steps and you will be on your way to empowering the socially awkward kid in your room to being socially active superstars.

Step 1: Ask your students if they would like to start a gaming club. **THEY WILL SAY YES.**

Step 2: Talk to your administrator about starting a club that promotes social skills amongst introverted kids and teaches real world soft skills. **THEY WILL SAY TELL ME MORE.**

Step 3: Contact VGCUSA and ask for a “Starter Kit”. **THIS IS FREE.**

Step 4: Host your first meeting and play one of through one of the ten lessons we have supplied. **THEY ARE DONE FOR YOU.**

Step 5: Sit back and watch the kids interact with one another through gaming. **GAMING OFFERS A NEUTRAL PLATFORM.**

Step 6: Identify your group’s leadership and find a cause for which to fundraise **LOCAL IS BEST.**

Step 7: Raise funds for the event and publicize your success. **#RETHINKGAMING #EVERYONEGAMES #VGCUSA**

Step 8: Repeat steps 4-7 as much as possible. **SERIOUSLY.**

See Appendix A for a VGCUSA Bylaws Template that you can use with your club.

Be on the lookout for teachable moments during your meetings and enjoy your students. Shaking hands, making eye contact, and when to interrupt a conversation are huge social skills and need to be addressed. Because you are meeting the students as players, they know you are in it to win.

Learning through Gaming

It is the belief of VGCUSA that, through gaming, social and emotional learning can be achieved, Pennsylvania standards can be addressed, and skills for postsecondary success can be developed. What follows is a compilation of games (video, board, applications, etc.) that encourage social and emotional learning as well as an identification of the core competencies and social skills they teach.

Mario Kart Tournament

Objectives and Goals

- *All of our gaming tournaments will focus on building character traits outlined by the [VIA Institute on Character](#).*
- *At the beginning and end of each game, players are expected shake hands properly (Web to Web), make eye contact with their opponents and say "Good Luck" or "Good Game".*
- *If racers are unfamiliar with each other, each racer should introduce themselves.*

Materials

- Nintendo Wii
- Mario Kart Disc
- 4 Wii Controllers (Steering Wheels are Optional)
- Television

Setup

Step 1- Sign Up

- Post an announcement to your social media source, hang a poster around school, make morning announcements.

Step 2- Fill out the Bracket (16, 32, 64 person brackets are suggested)

- Use a poster board or online app to organize groups.
- Groups of 4 will race one complete race, the track is up to you.
- The top 2 racers will move on to the next round from each race.
- The final 4 racers in the bracket will comprise the top 4 racers in the tournament.

Step 3- Game Play

- Start a four player Mario Kart lobby and connect Wii controllers.
- Choose your race speed, 50, 100 or 150cc.
- Choose your track.
- Choose your Kart and Characters.
- Race your way through the bracket. The top 2 racers from each round will advance until only 4 racers remain in the final round.

Suggestions

- We suggest you switch race tracks after each round of the bracket to make the game a bit more challenging for the racers as they advance.
- DO NOT PLAY RAINBOW ROAD UNTIL THE FINAL ROUND.
- We suggest allowing racers time to customize the Karts to promote socialization and discussion about the game.

Alternate Modes: Fastest Lap is a great version of the game in which a player races two complete laps on a predetermined course for the fastest time. Times for the players should be stacked/displayed vertically with the top being the fastest. During the game only the second lap counts for time... think of the first lap as a brief warmup.

Super Smash Bros Tournament

Objectives and Goals

- All of our gaming tournaments will focus on building character traits outlined by the [VIA Inst.](#)
- At the beginning and end of each game, players are expected shake hands properly (Web to Web), make eye contact with their opponents and say “Good Luck” or “Good Game”.
- If players are unfamiliar with each other, each player should introduce themselves.

- Time Management
- Judgment and Decision Making
- Complex Problem Solving
- Active Listening
- Speaking
- Coordination
- Social Perceptiveness

Materials

- Nintendo Wii
- Super Smash Brothers Disc (Variation is up to you)
- Controllers (Play up to 8 Max in one round)
- Television

Setup**Step 1- Sign Up**

- Post an announcement to your social media source, hang a poster around school, make morning announcements.

Step 2- Fill out the bracket (SOLO or 2V2)

- Use a poster board or online app to organize the bracket.
- The winners will move on in the bracket and wait to be called on for their next match.
- The final 2 players/teams in the tournament shall go head to head for first and second place.
- Third and fourth place can be played if time permits.

Step 3- Game Play

- Choose your characters.
- Assign each character to a team if applicable (change the background color)
- Choose your stage.
- Smash through the tournament. Depending on your rules, “X” number of players go on to the next round.

Suggestions

- We suggest you chose a level which does not actively impact the game players, causing them to lose.
- Allowing your players time to setup their controls will allow you to personalize the game.
- If you are playing 8 individuals at a time, we suggest the top 4 move on to the next round.

Mario Party

- Television

Setup

Step 1- Determine your Game Mode (Competitive Tournament or Social Gathering)

- At this point, you should decide what is best for your club.
- This game is loaded with socialization and decision making possibilities.

Step 2- Find Players

- Organize a signup sheet and encourage players sign up.

Step 3- Begin a game

- This game involves up to 4 people and will almost immediately produce discussion, laughter and “dang it” moments.
- Have the players start the game after selecting their game characters.
- The game itself is pretty self-sufficient and the actions and decisions made by the players will determine the path to an end.

Suggestions

- Throughout the game, the players will be challenged to mini-games and are comical to watch, so enjoy.
- As the game processes the teacher/mentor will have loads of opportunities to insert discussion as to strategy, critical thinking, and/or encouragement. Be on the lookout for teachable moments.

Materials

- 2-6 players
- Packs of Uno (easily purchased at a super store/dollar store)
- A place to play

Setup

Step 1- Determine a Game Mode (Competitive Tournament or Social Gathering)

- At this point, you should decide what is best for your club.
- Regardless, this game promotes socialization, decision making, and planning at its finest.

Step 2- Find Players

- Depending upon your “Game Mode” have kids sign up and organize groupings.
 - o “Social Gathering”
 - This mode is the easiest to setup.
 - Give the players a deck of Uno cards, explain the rules, and expectations for the days. This is when you as a teacher/mentor can insert purposeful goals and objectives into the game play.
 - Let them play to a winner.
 - o “Competitive Tournament”
 - Have the students sign up and organize a bracket of sorts. Aim for groups of 4 for easy bracket advancement.
 - Example: 16 players = 4 groups of 4. If only 1 player advances, this tournament would consist of 4 first round games and 1 final game of 4 players.
 - The number of players will determine bracket size and number of players in game.
 - Example: 23 players= 5 games of 4 players, and 1 game of 3 players with the top player advancing from each game. 6 players would be advance.
 - POINT OF ORDER: You can advance more than 1 player per game if desired. The tradeoff is that tournament would take longer.

Step 3- Rules to your Uno event

- Explain the Rules to Uno to your players. Depending on your “Game Mode” the length of your event will change. The link to the official rules of Uno are found [here](#).
- The teacher/mentor can insert purposeful goals and objectives into the game play. Be sure to highlight shaking hands, eye contact and why being a good sport is important.

Just Dance

Objectives and Goals

- All of our gaming tournaments will focus on building character traits outlined by the [VIA Institute on Character](#).
- At the beginning and end of each game, players are expected shake hands properly (Web to Web), make eye contact with their opponents and say "Good Luck" or "Good Game".
- If racers are unfamiliar with each other, each racer should introduce themselves.

 - o “Social Gathering”
 - This mode is the easiest to setup.
 - Start the game, get kids connected, pick a song, and Just Dance. This is when the teacher/mentor can insert purposeful goals and objectives into the game play.
 - o “Competitive Tournament”
 - Have the students sign up and organize a bracket of sorts. Aim for groups of 4 or for easy bracket advancement.
 - Example: 16 players = 4 groups of 4. If only 1 player advances, this tournament would consist of 4 first round games and 1 final game of 4 players.
 - The number of players will determine bracket size and number of players in game.
 - Example: 23 players= 5 games of 4 players, and 1 game of 3 players with the top player advancing from each game. 6 players would be advance.
 - POINT OF ORDER: You can advance more than 1 player per game if desired, the tradeoff is that tournament would take longer.

Step 3- Just Dance

- Explain the Rules to Just Dance to your players. Depending on your “game mode”, the length of your event will change.
- This is the teacher/mentor can insert purposeful goals and objectives into the game play. Be sure to highlight shaking hands, eye contact, and why being a good sport is important.

Go Fish

Objectives and Goals

- *All of our gaming tournaments will focus on building character traits outlined by the [VIA Institute on Character](#).*
- *At the beginning and end of each game, players are expected shake hands properly (Web to Web), make eye contact with their opponents and say “Good Luck” or “Good Game”.*
- *If racers are unfamiliar with each other, each racer should introduce themselves.*

Materials

- 2-6 players
- Packs of Cards (easily purchased at a super store/dollar store)
- A place to play

Setup

Step 1- Determine a Game Mode (Competitive Tournament or Social Gathering)

- At this point, you should decide what is best for your club.
- Regardless, this game promotes socialization, decision making, and planning at its finest.

Step 2- Find Players

- Depending upon your “Game Mode” have kids sign up and organize groupings.
 - o “Social Gathering”
 - This mode is the easiest to setup.
 - Give the players a deck of cards, explain the rules, and expectations for the days. This is when you as a teacher/mentor can insert purposeful goals and objectives into the game play.
 - Let them play to a winner, but honestly the voyage is more important than the destination.
 - o “Competitive Tournament”
 - Have the students sign up and organize a bracket of sorts. Aim for groups of 4 for easy bracket advancement.

Materials

- Nintendo Wii
- Wii Sports Disc
- Wii Controllers
- Television

Game Mode Options: Wii Bowling, Tennis, Baseball, Golf, or Boxing (Nunchaku is needed for Wii Sports Boxing)

Step 1- Choose a Game and Sign Up

- Post an announcement to your social media source, hang a poster around school, make morning announcements.

Step 2- Determine a Game Mode (Competitive Tournament or Social Gathering)

- At this point, you should decide what is best for your club.
- Regardless, this game promotes socialization, decision making, and planning at its finest.

Step 3- Find Players

- Depending upon your “Game Mode” have kids sign up and organize groupings.
 - o “Social Gathering”
 - This mode is the easiest to setup.
 - Give the players access to the Wii console, game, explain the rules, and expectations for the days. This is when you as a teacher/mentor can insert purposeful goals and objectives into the game play.
 - Let them play to a winner, but honestly the voyage is more important than the destination.
 - o “Competitive Tournament”
 - Have the students sign up and organize a bracket of sorts. Aim for groups of 4 for easy bracket advancement.

 - POINT OF ORDER: You can advance more than 1 player per game if desired. The tradeoff is that tournament would take longer.
- Fill out the bracket (SOLO or 2V2)
- Use a poster board or online app to organize the bracket.
- The winners will move on in the bracket and wait to be called on for their next match.
- The final 2 players/teams in the tournament shall go head to head for first and second place.
- Third and fourth place can be played if time permits.

Step 4- Game Play

- Depending on the game mode and game you have chosen to play your “Game Play” will vary
- Bowling is best 2V2, but can be done 1V1V1V1.
- Boxing is best in a competitive format 1V1.
- Baseball can be done 2V2 with alternating pitcher and hitters in the three round game.
- Golf is a hard game and can cause trauma to the payers ego. Best done individually in a tournament setting.
- Tennis is best 2V2 but a 1V1 tournament is always fun to watch.

Charades

Materials

- 2-6 players
- List of Words (The Sillier the Better)
- A place to play

Setup

Step 1- Determine a Game Mode (Competitive Tournament or Social Gathering)

- At this point, you should decide what is best for your club.
- Regardless, this game promotes socialization, decision making, and planning at its finest.

Step 2- Find Players

- Have kids sign up and organize groupings, 2-4 per team is best
 - Break the large group form teams of 3-4 people per team. Try to break your group up into socially equivalent teams as this will guarantee kids yelling out words while the acting is going on.
 - Explain the rules, and expectations for the days. This is when you as a teacher/mentor can insert purposeful goals and objectives into the game play.
 - Team 1 draws a word out of the “hat” and is given 30 seconds to act out the term. The non-acting players on Team one will then yell out what they think the word is. Correct guesses will earn a point. If time lapses and no correct answer is given Team 2, who has been watching quietly, gets one guess in an attempt to steal the point.
 - Each team takes turns until all participants have acted out a word. High score wins.

Step 3- Rules to your Charades event

- Explain the Rules to Charades to your players. Depending on your “Game Mode” the length of your event will change. The link to the official rules of Charades are found [here](#).
- The teacher/mentor can insert purposeful goals and objectives into the game play. Be sure to highlight shaking hands, eye contact and why being a good sport is important.

- Mario Kart Disc
- 1 Wii Controller (Steering Wheels are Optional)
- Television

Setup**Step 1- Sign Up**

- Post an announcement to your social media source, hang a poster around school, make morning announcements.
- Kids will sign up and race in the order of the sign-up sheet.

Step 2- Game Play Setup

- Start a single player race in Mario Kart
- Choose your race speed, 50, 100 or 150cc.
- Choose your track.
- Choose your Kart and Character.
- Do not allow students to change the track.
- We suggest making Mario on a Standard Kart the default as to compare apples to apples in the end.

Step 3- Game Play

- Fastest Lap is a great version of the game in which a player races two complete laps on a predetermined course for the fastest time.
- Times for the players should be stacked/displayed vertically with the top being the fastest.
- During the game only the second lap counts for time... think of the first lap as a brief warmup.
- Fastest lap when all have raced sets the school record!!!

Suggestions

- We suggest you switch race tracks after each round of the bracket to make the game a bit more challenging for the racers as they advance.
- DO NOT CHOOSE RAINBOW ROAD.

Step 2- Game Play Setup

- Each player will be given a chance to record the fastest run through a level of Super Mario Brothers.
- The World Record for an run through the entire game is 4:56, held by Kosmic.
- This game is based on completing only level 1-1 for speed.

Step 3- Game Play

- Speed Running is a great version of the game in which a player races through a level of Super Mario Brothers for time sake.
- Times for the players should be stacked/displayed vertically with the top being the fastest.
- Fastest Run when all have set the school record!!!

APPENDIX A

School Video Game Club

Bylaws

ARTICLE I. NAME

The name of this organization shall be The Video Game Club, shortened to “THE VGC” when appropriate.

ARTICLE II. PURPOSE

Section 1. The purpose of The Video Game Club is to connect students, faculty and staff through the use of and discussion about gaming culture, play and competition.

Section 2. The specific goals of The Video Game Club are as follows:

- Provide an opportunity for students to learn and play games together and form personal bonds with one another.
- Foster an understanding of the importance of being socially active and participate in philanthropic works at the local, state and national level.
- Strengthen the confidence of students in themselves through public discourse and competitive game play.

ARTICLE III. MEMBERSHIP

Section 1. Membership in The Video Game Club is open to all students. Due to space and equipment constraints, membership may be capped and an application process may be implemented.

Section 2. Any student may join the club, but failing grades are not allowed. Students in the club will be completing a grade check once per quarter, three weeks prior to the end. Students with failing grades on a grade check will meet with the advisors during mentor time to discuss bringing the grades up. If grades do not improve by the end of the quarter, the student will be placed on an action plan for the following quarter. If a student’s grade improves, they will be returned to “good standing” and monitored accordingly. If the grades do not improve after the action plan run its course, the student will be barred from all VGC activities.

ARTICLE IV. DUES AND FINANCE

- There are no dues to join the club. Members may have the opportunity to bring their own equipment, however the school will not be liable for loss or damages.
- Any funds raised for charity will be documented appropriately and funds distributed to identified charities, individuals or groups at designated times.

ARTICLE V. OFFICERS

Section 1. Officers of the chapter shall be as follows: president, vice president, secretary, treasurer, and man at arms. These officers, with the advisors as ex officio members, shall constitute the executive committee. Officers shall be selected at the annual meeting

and shall hold their respective offices for a term of one year or until their successors are selected. Officers shall assume their duties at the close of the meeting at which they were selected.

Section 2. The chapter shall have one advisor who shall be a _____ faculty member.

Section 3. The advisor(s) is/are responsible for selecting students to lead the club. To be selected a student must fill out an application which states their intentions and outlines their gaming background.

Section 4. An officer may be removed from their assigned post for (a) dereliction of duty, (b) inability to communicate effectively with the executive committee or the membership, (c) failure to attend meetings, (d) unwillingness to accept a consensus vote of the executive committee.

ARTICLE VI. DUTIES OF OFFICERS

Section 1. The president shall (a) be in grades 10-12, (b) preside over all meetings of the chapter, and (c) appoint all committees.

Section 2. The vice president shall (a) preside in the absence of the president, and (b) assist the president.

Section 3. The secretary shall (a) keep an accurate record of the meetings.

Section 4. The treasurer shall (a) act as custodian of the funds of the organization and give financial reports.

Section 5. The man at arms shall (a) call the meeting to order, and (b) act as crowd monitor during meetings.

ARTICLE VII. MEETINGS

Section 1. The executive committee will meet from time to time as needed for organization and scheduling of events. Executive committee members are required to attend all official meetings of both the committee and the club. Executive committee members do not need to participate in all club events.

Section 2. There must be at least one regular meeting per month during the academic school year. These meetings will take place on the _____ days of the month. These meetings will take place in the advisors classroom or predefined meeting location.

ARTICLE VIII. GAME PLAY

Section 1. Each member will sign a parent permission form at the beginning of the school year which identifies the ESRB level at which the student may play.

Section 2. Games played during meetings will be limited to “Teen” or lower, though some games rated “M” may be discussed for content and playability.

Section 3. Board and Card based games are held to the same rating system.

Section 4. Any and all games played outside of official meetings are done so at the individual players judgement and not subject to VGC/ESRB justification.

ARTICLE IX. AMENDMENTS and EXEMPTIONS

Section 1. Any and all amendments to the bylaws of the Video Game Club need to be ratified, discussed, and voted on by membership in its entirety (Club Vote).

Section 2. All proposed amendments need to be discussed amongst the advisors, executive committee, and school leadership prior to the “Club Vote”. School officials and advisors have final say on all matters pertaining to the club.
